## Monster Chair

---

'A soft, puffy and stylish chair with a monster face embroidered on the backrest. The monster is a symbol of the eternal battle between opposite forces that take place in life and can be easily recognized inside ourselves, if we have the courage to open our eyes. Scary? Not at all! You forget all about the monster once you sit down and enjoy the chair's comfort and softness.'

## cleaning instructions

Moooi recommends using a good furniture polish and a soft cloth. Apply generously in layers to the surface and use the cloth to shine. Do not use abrasive fabrics, gently remove tough stains with warm water and a trusted multi-surface cleaner.
