## Colour Globe

---

The Colour Globe lamps by Scholten & Baijings inaugurate a new collaboration with Moooi in the name of refinement and transparency. Two layers of fine mouth blown glass run parallel in a rounded embrace of playful details and colourful contrasts that optically blend into each other, generating a dynamic effect. Through the glass layers beats its heart, a bright LED lamp enclosed and protected by an opal shrine.

## detailing

Colour globe is produced in handblown glass and therefore can contain airbubbles. All colours and patterns are applied by hand, therefore each piece is unique. Colour globe has an integrated high power warm white LED source which is mains dimmable.

---

## colours

Pantone 166 & 428 gradient

Pantone 545 & 538 gradient

---

## technical

### Amount of LED's:

Integrated high power warm white LED

### Colour temperature (degrees Kelvin, K) Colour rendering index:

2700K (warm white, comparable to incandescent) CRI\_Ra > 90

### Luminous flux (Lumen, lm):

Small: 600

Medium: 900

Large: 1200

### Power consumption MAX 40W

Mains Dimmable

### Cable Length

4M (10M on request)

### Cable Colour

Cashmere Pink / Fluorescent Yellow

### Canopy

White cilinder
